# History of Boys State Basketball Winners

The first state basketball tournament under the direction of the KSHSAA was held at Emporia State Teachers' College in 1912 and was won by the Reno County High School team of Nickerson. Prior to that time, a statewide invitation tournament was held at the University of Kansas. This invitation tournament was started in 1908 and continued until the tournament sponsored by the state association combined with it in 1916.

All teams competed in one class until 1925, at which time all schools with enrollments of 200 or less were placed in a new division, Class B. The first Class B state championship tournament was held at Salina and was won by Haven High School. In 1929 and 1930 no Class B tournaments were held; a new plan had been instituted whereby the Class B teams played in the same tournaments with the Class A teams following the first-round district meets. In 1931, the two-tournament plan was re-established.

In 1941, a third division was added and the schools were divided into three divisions, AA, A, and B. In the AA division were schools with enrollments of more than 475; Class A included those with enrollments between 151 and 475, inclusive; and Class B included all schools with enrollments of 150 or below.

Beginning in 1942, a new round of semifinal tournaments was held following the regionals. All but four teams in each division were eliminated in the semifinals, and the remaining teams competed for the championship in the three divisions at the same place and on the same dates. In 1945, the schools voted to go back to the pre-war plan of three separate state tournaments of 16 teams each. In 1952, a fourth division, Class BB, was added to include schools with enrollments of 60 or less.

A fifth classification was added in 1969, and thereafter they were known at AAAAA, AAAA, AAA, AA and A. Class 6A was added in 1979, thereby creating the current six classes. In 2011 Class 1A voted to split into two divisions based on enrollment. In 2014 Class 4A voted to split into two divisions creating eight state basketball champions. Beginning in 2019, the tournaments returned to six classes. In 2021 Class 1A split into two divisions creating seven state basketball champions.

## Boys State Basketball Champions

### The winners of the University's invitation tournaments were:

1908—Halstead  
1909—Halstead  
1910—Clay County  
1911—Lawrence  
1912—Baldwin  
1913—Reno County  
1914—Lawrence  
1915—Iola

### The winners and locations of the official state tournaments are as follows:

Year	Class	Winner	Location
1912		Reno County	Emporia
1913		Reno County	Emporia
1914		Lawrence	Newton
1915		Wichita	Emporia

# KSHSAA State Basketball Sportsmanship Awards

KSHSAA Sportsmanship Awards are presented in the girls and boys divisions at each of the State Basketball Championship Tournaments, if judges determine schools to be worthy of the honor. The term "school" includes cheerleaders, cheering section (pep club, student body, adult followers), team and coach.

When the system began in 1970 at the boys basketball tournaments, the "final four" schools were rated according to a standard of excellence for good sportsmanship. The school to receive the highest rating received the Sportsmanship Award. The first Sportsmanship Awards for girls basketball were presented in 1975.

In 1987, the KSHSAA revised the awards system allowing all schools participating in the State Basketball Championship Tournament to be judged and rated according to a standard of excellence for good sportsmanship. The judges' criteria is published in the KSHSAA Basketball Manual, the KSHSAA Activities Journal and the State Basketball Tournament Program. Schools whose teams are defeated in the first round of the tournament are eligible to receive a certificate if they meet the qualifying standards of sportsmanship.

A rating of 61 or more points (out of a possible 72; 85%) entitles the school to a sportsmanship certificate. The four teams participating in the entire tournament who achieve a total of 184 rating points (out of a possible 216; 85%) receive a plaque for the school and medals for the cheerleaders.
